1. Claims 1-7 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record neither discloses nor suggests a disc drive comprising combination structural limitations having a tray; a bracket connected to the tray; a lever pivotally connected to the bracket; a latching member pivotally connected to the lever and having a first protrusive portion, the latching member being rotated in a first direction independently but accompanied by the lever when rotating in a second direction; a solenoid connected to the bracket and movably connected to the lever a stopper engaged with the latching member to lock the tray; a rail having a second protrusive portion, wherein the lever is forced to rotate the latching member in the first direction, the latching member is disengaged from the stopper to eject the tray, and then the first protrusive portion of the latching member is pressed by the second protrusive portion of the rail so as to rotate the latching member in the second direction and move the latching member and the lever back.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
